Bass Haven is a family operated sport fishing and hunting outfitter established over 40 years ago, located on Lake St. Clair at Mitchell's Bay, Ontario. As anyone who's been to the area will tell you, Lake St. Clair's world-class reputation for Trophy Smallmouth Bass, Largemouth Bass and Muskie fishing is well deserved. Lake St. Clair is a first class sport fishery that receives high praise from Bass, Muskie, Walleye and Panfisherman alike.

In the ice fishing category, Bass Haven at Mitchell's Bay, Ontario on Lake St. Clair was listed as the #1 place to go in North America in the 1999 - 2000 "Trip Tips" section of "In Fisherman" Magazine's "Ice Fishing" edition. Bass Haven deserves to say, "We Make Weekends".

There is always something going on at Bass Haven. Fishing and hunting is available year-round. In the spring it begins with the Walleye, Perch and Panfish runs. In June, Muskie and Bass Opening Days draw thousands of anglers and there are several tournaments held.

World-Class Fishing! World-Class Hunting! World-Class Waters!

Located on the Bay approximately 1 km. north of the village of Mitchell's Bay, Waterway Camp has a long tradition of being one of the only fishing/hunting camps on the Canadian side of Lake St. Clair.

Serious fishermen from both sides of the border know that fishing just doesn't get any better. Crappy, bluegill, perch, walleye, small mouth bass, large mouth bass, muskie and northern pike are just some of the species that are abundant in our Bay .

In the evening as you sit by your cabin, you can enjoy the most beautiful sunsets. Take your camera along and impress your friends with your wonderful photos of Waterway Sunsets.

In the fall, if you like to hunt, stay with us for the best duck hunting you have ever experienced. We have duck blinds and boats for your use, or you can launch your own boat at our launch. We have 8 box blinds with boat hideaways. No one seems to go home empty handed!

Not just for the hunter and fisher, Waterway Camp is a perfect place to bring the whole family to enjoy the wonder of outdoors.
